

Objective

To utilize my leadership and executive experience along with my proven managerial and communication skills to help bring fiscal and professional growth to your organization.

Experience

Mayor, City of Whittier

October 2002 to Present

- Worked diligently with federal and state leaders to secure over \$50 million dollars in funding for road construction, harbor expansion, and basic infrastructure projects
- Lead city through period of tremendous tourism growth of 300% representing a visitor count of nearly 750,000 in 2010.
- Successfully worked with the legislature to fund a 50% increase in year round tunnel access
- Renewed community confidence and trust in the local government, fairness, operations, stability and continuity.
- Guided city leaders and administrators to a balanced budget while dissolving a longstanding million-dollar deficit.
- Fostered development plans leading to a \$2 million dollar annual revenue increase.
- Established relationships with state, local, tribal and federal leaders to foster and collaborate for mutual regional interests.

Commissioner, Alaska Human Rights Commission (Chair)

December 2002 to Present

- Collaborated with governor's office and legislators to set policy and determine best practice for adjudicating human rights cases
- Evaluated and executed policy change between governmental entities to expedite and decrease overall cost of adjudicating cases
- Initiated successful mediation program
- Supervised the activities of the executive director
- Successfully led the commission through nearly 30 thousand inquiries by Alaskans.
- Led Commission through period of 8% growth while maintaining a steady rate of completed investigations that increased workload of eight percent.
- Oversaw regulation amendments as required by statute.
- Lead the commission in determining the final outcome of discrimination cases brought to hearing.

Real Estate/Dock Manager, Alaska Railroad Corporation

December 2002 to Present

- Oversee all Alaska Railroad Corporate real estate holdings throughout Whittier.
- Manage the multi-purpose dock facility that has experienced 360% growth and revenue.
- Transformed dock facility from limited use to critical facility for cruise ship and commercial fishing industry activity.
- Coordinate tourism and commercial activities to meet needs of multiple user groups.
- Collaborate with Prince William Sound Fisheries leaders to facilitate major commercial offloading activity
- Collaborate with tourism cruise captains to facilitate multi-ship docking as well as loading and off-loading of supplies and guests.

Director of Public Safety, City of Whittier

June 1998 to December 2002

- Oversee all aspects of public safety (police, fire and EMS) within the City of Whittier
- Supervised staff of five emergency personnel, wrote numerous grants for public safety
- Prepared annual operating budgets
