RE: Position

Dear Diane:

As per our conversation I am forwarding my resume for consideration of a position on a board or commission. As a business owner and educator in Alaska for over 34 years, I would bring to the State a broad range of skills, and am eager to expand my opportunities as a professional.

- Excellent ability to collaborate and lead a team, with clear objectives and result driven.
- Literacy Specialist, developing and implementing programs to meet needs.
- Uncompromising advocate of the view that "all can learn".
- Chair of current Budget Advisory Commission for Anchorage and Anchorage School District, 2nd 3-year appointed term by Mayor of Anchorage.

With strong communication, organizational, and management skills, I am confident that I can be a valuable asset to programs, projects, boards, or commissions. I feel my ability to assimilate new ideas and concepts, and my dedication to education would be of great benefit as well.

I would welcome the opportunity to further discuss this position with you.
