## MEMORANDUM

February 23, 2015

**SUBJECT:** Marijuana concentrates (CSHB 59 ( ));  
Work Order No. 29-LS0257AP)

**TO:** Representative Paul Seaton  
Attn: Taneeka Hansen

**FROM:** Hilary V. Martin  
Legislative Counsel

You have asked whether the sunset of the prohibition on marijuana concentrates in proposed AS 17.38.100(i) (Bill sections 12 and 24) would require issuance of a new license in order to manufacture or sell marijuana concentrates.

The language in AS 17.38.100(i) does not require (or imply) that a separate license to manufacture, deliver, possess, possess with the intent to manufacture or deliver, or display marijuana concentrates would be required at any time. This language is a limitation on the license that would be issued by the board. When the prohibition sunsets, there would be no statutory requirements related to the manufacture, delivery, possession, possession with intent to manufacture or deliver, or display of marijuana concentrates.

If I may be of further assistance, please advise.
