## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2015 LEGISLATIVE SESSION

BILL NO. HB98

### Analysis

House Bill 98 would amend AS 09.20.030 to allow any school teacher to claim an exemption from jury service during the school term. Currently, teachers in a "low performing school," as designated by the state Board of Education and Early Development, may claim the exemption during the school term. The bill removes the qualification that the teacher must be from a low performing school to claim the exemption during the school term.

The court system can and does process jury exemptions and deferrals to another time of year in the normal course of its ongoing administrative functions. This bill would not have a fiscal impact on the court system, which therefore submits a zero fiscal note.
