

Hi Miguel,

I am writing in support of HB58's expansion to include non-profits. The Sitka Fine Arts Camp would benefit from this greatly. Our organization owns 20 buildings of the former Sheldon Jackson School. Many of these buildings have the same energy standards that they were built with 100 years ago.

Operating the historic buildings is extremely costly however with basic energy improvements the buildings can be modernized to be used efficiently for another 100 years of service to our community and state.

Sincerely,

Roger Schmidt
