Article 5. Permit Requirements ([Refs & Annos](#))

18 AAC 90.500

18 AAC 90.500. Permit for certain public pesticide programs or projects.

Except as provided in [18 AAC 90.510](#), a government entity may not, without first obtaining a permit issued by the department, direct, carry out, allow, or participate in the spraying or application of a pesticide in any program or project

(1) in a state-owned greenhouse or nursery, on a state right-of-way, or on more than one acre of land owned or leased by the state, except where the pesticide is applied on less than one acre of land on a right-of-way wholly within the boundaries of an airport owned by either the state or a municipality and the pesticide is not applied by aircraft or helicopter; or

(2) if that spraying or application affects property owned separately by two or more persons.
