REPRESENTATIVE WES KELLER DISTRICT 10

MEMO

To: House Finance Committee

Fm: Representative Wes Keller

A handwritten signature in black ink that reads "Wes Keller".

Date: March 2, 2015

Re: Request to hear CSHB 30 (29-LS0186\W)

Please consider this as a request for you to hear CS for HB 30- "Constitutional History Curriculum" from the House Finance Committee at your earliest convenience. The legislation has a zero fiscal note. I have included a packet of information in a .pdf version.

CSHB 30 concentrates on an extremely important part of American History that needs to be highlighted in our classrooms. Fifteen years, when most of our founding documents were written and debated. We have forgotten many of those words and may pay the price by not learning from our mistakes. CSHB 30 will give our next generation a better understanding of where we came from and why we are here.

If you have any questions please feel free to contact my office.

Note: A Copy of the Alaska Education Standards is available on line which will probably be better than printing 145 pages. A copy is included in the .pdf packet.
