**FISCAL NOTE ANALYSIS**

**STATE OF ALASKA  
2016 LEGISLATIVE SESSION**

**BILL NO.** HB221

**Analysis**

This legislation requires the state to recognize and enforce protective orders issued in other jurisdictions in the same way that it enforces protective orders issued in Alaska. Therefore, the legislation would make it a class A misdemeanor to violate a protective order issued in another jurisdiction. It would also allow a judicial officer to set certain bail conditions for defendants whose victims have a protective order issued in another jurisdiction.

The Department of Law does not anticipate a fiscal impact.
