FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

BILL NO. HB227

Analysis

In part, **HB227 version H** authorizes DHSS to apply for federal waivers and options to reform the Medicaid program and to assess the most cost-effective method for revising expansion coverage.

Section 12 of the bill directs the Department to apply for the 1915(i) option under Medicaid.

Making use of the 1915(i) option offers the department the opportunity to shifting eligible recipients from 100% general funded grants programs to the 50% fed/50% GF funded 1915(i) Medicaid option.

Individuals receiving home and community-based services through the Community Developmental Disabilities Grant (CDDG) program must meet the eligibility requirements in AS 47.80.900. The CDDG program provides home and community-based services to support individuals' desire to live as independently as they are able.

The Department will use the 1915(i) funding option to refinance services provided through the Community Developmental Disabilities Grant program. 969 individuals accessed CDDG services in FY2015 with an average cost per recipient of \$12,008.04 per individual per year, for a total budget of \$11,635.8 general funds. All recipients could be transitioned from the CDDG program to the 1915(1) Medicaid option.

State Plan and regulation changes are required to implement the new option and would involve extensive public comment. The Department expects the 1915(i) option to be implemented by FY2019.
