By: John Davies 1 Diane Hutchison 2 3 Introduced: 02/26/2015 Adopted: 02/26/2015 4 5 6 FAIRBANKS NORTH STAR BOROUGH 7 8 RESOLUTION NO. 2015 - 08 9 A RESOLUTION OF APPRECIATION AND SUPPORT FOR THE ALASKA INDUSTRIAL 10 DEVELOPMENT AND EXPORT AUTHORITY'S CONTINUED COMMITMENT TO 11 MEETING THE GOALS OF THE INTERIOR ENERGY PROJECT 12 13 14 WHEREAS, the Fairbanks North Star Borough, the City of North Pole and the City of Fairbanks created the Interior Gas Utility (IGU) to facilitate the availability of natural 15 gas to the most residents, at the earliest date, and for the least cost (about \$15/mmbtu); 16 17 and 18 19 WHEREAS, in 2013 Governor Sean Parnell and the State legislature 20 approved and significantly funded the Alaska Industrial Development and Export Authority (AIDEA) to form the Interior Energy Project (IEP) which was initially focused on trucking 21 22 natural gas from a processing plant on the North Slope to utilities in the Interior; and 23 WHEREAS, in December 2013, the AIDEA board of directors reexamined the 24 focus on the North Slope and considered options available to source the gas from Cook 25 Inlet and decided that none of them could meet the IEP goals at that time; and 26 27 WHEREAS, in 2014, AIDEA moved ahead with the plan to build a processing 28 plant on the North Slope, but that plan, proposed by MWH Global, Inc. (MWH), failed to 29 meet the Concession Agreement requirements and the IEP goals and therefore has been 30 abandoned: and 31 32 WHEREAS, with the failure of the MWH plan, AIDEA put all options back on 33 the table, reopened the Cook Inlet options, and is pursuing an approach to purchase 34 PENTEX, the parent company of Fairbanks Natural Gas (FNG), as part of the best way to 35 meet the IEP goals of serving the most residents, at the earliest date, and for the least cost 36 37 (about \$15/mmbtu); and 38 39 WHEREAS, AIDEA's actions show forward movement and commitment to an 40 Interior energy solution; as does the strong support and commitment from Governor Bill 41 Walker, which is encouraging and appreciated; and 42

options, including North Slope or other Cook Inlet options, are not precluded by the due 52 diligence process; and 53 54 55 WHEREAS, private enterprises have had decades to bring low-cost energy to the Interior, which has made it clear that some form of public participation is necessary to 56 meet the IEP goals; and 57 58 59 WHEREAS, the PENTEX purchase includes an agreement with the private company Hilcorp which is subject to both the due diligence process and regulatory and 60 administrative review; and 61 62 63 WHEREAS, it is too early to know the results of the due diligence work in connection with the purchase of PENTEX, or the impacts of the acquisition on other facets 64 of the IEP: 65 66 NOW, THEREFORE, BE IT RESOLVED that the Assembly of the Fairbanks 67 North Star Borough appreciates and supports AIDEA's continued commitment to meeting 68 the goals of the IEP; and 69 70 71 BE IT FURTHER RESOLVED that if the due diligence process shows that the proposed purchase of PENTEX will significantly assist in meeting the goals of the IEP, that 72 the Fairbanks North Star Borough Assembly supports moving forward with that plan. 73 74 BE IT FURTHER RESOLVED that copies of this resolution shall be sent to 75 the Honorable Governor Bill Walker, members of the Alaska State legislature, Interior Gas 76 Utility board, Fairbanks Natural Gas management, Golden Valley Electric Association board 77 and management, AIDEA board and the Regulatory Commission of Alaska. 78 79 PASSED AND APPROVED THIS 26TH DAY OF FEBRUARY, 2015. 80 **Presiding Officer** ATTEST: Nanci Ashford-Bingham, MMC Borough Clerk

WHEREAS, the letter of intent to purchase PENTEX is non-binding, meaning

nothing is final or committed until the due diligence process is complete, and that other
