## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2015 LEGISLATIVE SESSION

BILL NO. CSHB 49 (L&C)

### Analysis

CSHB 49 will add a new chapter to AS 10 Alaska corporation code, Chapter 60 Benefit Corporations which allows a new or existing corporation organized under AS 10.06 or AS 10.45 to become a benefit corporation. In addition, it amends AS 10.06.633 to allow for the administrative dissolution of a benefit corporation if it fails to file or pay the filing fee for a benefit report.

In addition to its purpose under AS 10.06, a benefit corporation shall have a purpose of creating a general public benefit from the business and operations of the benefit corporation. General public benefit means a material positive effect on people and their surroundings, taken as a whole, assessed against a third-party standard.

A benefit corporation may also identify one or more specific public benefit purposes which means a benefit which serves a public welfare, religious, charitable, scientific, literary, or educational purpose, or another purpose beyond the strict interest of the shareholders of the benefit corporation.

In addition to the establishment of this corporation type, this bill will create new criteria under AS 10.60 which may amend an existing business corporation or professional corporation's status as a benefit corporation.

CSHB49 amends HB49 to require the benefit report to be part of the biennial report.

The Corporation Section database will need modification to allow for the adding and removing of a benefit corporation status, the associated reports and officials required for a benefit corporation.

If the bill passes, the following expenses will be incurred:

- \$9.4 in one-time information technology costs to modify the licensing database;
- \$2.5 in legal cost to amend regulations, printing, and postage.

Corporation licensing fees in the Division of Corporations, Business and Professional Licensing are funded by general fund program receipts, fund source 1005 GF/Prgm (DGF). Corporation fees are set per Title 10; revenue in excess of authorized budgeted expenses reverts to the State of Alaska general fund.
