FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

BILL NO. HB 158

Analysis

This bill addresses a recognized funding shortfall in the Prevention Account of the Oil and Hazardous Substance Release Prevention and Response Fund. The Division anticipates that the new revenue generated through this bill, if appropriated, would alleviate a projected revenue shortfall for FY16 operations that is estimated to be around \$7 million.

There will be no fiscal impact to the Division Spill Prevention and Response for implementation of the legislation.
