1 more insurers competing in the same market is prima facie evidence of violation of the
2 competitive standard if

3 (A) there is a significant trend toward increased concentration
4 in the market, which occurs when the aggregate market share of any grouping
5 of the largest insurers in the market, from the two largest to the eighth largest,
6 has increased by seven percent or more of the market over a period of time
7 extending from any base year five to 10 years before the acquisition up to the
8 date of the acquisition;

9 (B) one of the insurers involved is an insurer in a grouping of

16 * **Sec. 38.** AS 21.22.105 is amended by adding new subsections to read:

17 (c) Not less than one-third of the directors of a domestic insurer and not less
 18 than one-third of the members of each committee of the board of directors of any
 19 domestic insurer may be persons who are not officers or employees of the insurer or of
 20 any entity controlling, controlled by, or under common control with the insurer and
 21 who are not beneficial owners of a controlling interest in the voting stock of the
 22 insurer or entity. At least one person must be included in a quorum for the transaction
 23 of business at any meeting of the board of directors or a committee thereof.

24 (d) The board of directors of a domestic insurer shall establish one or more
 25 committees comprised solely of directors who are not officers or employees of the
 26 insurer or of any entity controlling, controlled by, or under common control with the
 27 insurer and who are not beneficial owners of a controlling interest in the voting stock
 28 of the insurer or the entity. The committee or committees shall have responsibility for
 29 nominating candidates to be a director for election by shareholders or policyholders,
 30 evaluating the performance of officers deemed to be principal officers of the insurer,
 31 and recommending to the board of directors the selection and compensation of the

1 principal officers.

2 (e) The provisions of (c) and (d) of this section do not apply to a domestic
3 insurer if a person controlling the insurer has a board of directors and committees
4 thereof that meet the requirements of (c) and (d) of this section with respect to a
5 controlling person. In this section, "person" may include an insurer, a mutual
6 insurance holding company, or a publicly held corporation.

7 (f) An insurer may make application to the director for a waiver from the
8 requirements of this section, if the insurer's annual direct written and assumed
9 premium, excluding premiums reinsured with the Federal Crop Insurance Corporation
10 and the National Flood Insurance Program, is less than \$300,000,000. An insurer may
11 make application to the director for a waiver from the requirements of this section
12 based on an insurer's unique circumstances. The director may consider various factors,
13 including the type of business entity, volume of business written, availability of
14 qualified board members, or the ownership or organizational structure of the entity.

15 * **Sec. 39.** AS 21.22.110(a) is repealed and reenacted to read:

16 (a) In addition to the director's authority to examine insurers under
17 AS 21.06.120 - 21.06.170, the director may examine an insurer registered under
18 AS 21.22.060 and its affiliates to ascertain the financial condition of the insurer,
19 including the enterprise risk to the insurer by the ultimate controlling party, by any
20 entity or combination of entities within the insurance holding company system, or by
21 the insurance holding company system on a consolidated basis.

22 * **Sec. 40.** AS 21.22.110(b) is repealed and reenacted to read:

23 (b) The director may

24 (1) order an insurer registered under AS 21.22.060 to produce the
25 records, books, or other information papers in the possession of the insurer or its
26 affiliates as are reasonably necessary to determine compliance with this chapter;

27 (2) order an insurer registered under AS 21.22.060 to produce
28 information not in the possession of the insurer if the insurer can obtain access to the
29 information under contractual relationships, statutory obligations, or other method; in
30 the event the insurer cannot obtain the information requested by the director, the
31 insurer shall provide the director a detailed explanation of the reason that the insurer

1 cannot obtain the information and the identity of the holder of information; if it
 2 appears to the director that the detailed explanation is without merit, the director may
 3 require, after notice and hearing, the insurer to pay a penalty of \$250 for each day's
 4 delay in providing the requested information, or may suspend or revoke the insurer's
 5 license;

6 (3) in the event the insurer fails to comply with an order under this
 7 subsection, examine or issue subpoenas to the insurer's affiliates to obtain the
 8 information.

9 * **Sec. 41.** AS 21.22 is amended by adding a new section to read:

10 **Sec. AS 21.22.115. Supervisory colleges.** (a) With respect to an insurer
 11 registered under AS 21.22.060, and in accordance with (c) of this section, the director
 12 may participate in a supervisory college for a domestic insurer that is part of an
 13 insurance holding company system with international operations to determine the
 14 insurer's compliance with this chapter. The director may

15 (1) initiate the establishment of a supervisory college;

16 (2) clarify the membership and participation of other supervisors in the
 17 supervisory college;

18 (3) clarify the functions of the supervisory college and the role of other
 19 regulators, including the establishment of a group-wide supervisor;

20 (4) coordinate the ongoing activities of the supervisory college,
 21 including planning meetings, supervisory activities, and processes for information
 22 sharing; and

23 (5) establish a crisis management plan.

24 (b) Each registered insurer subject to this section shall be liable for and shall
 25 pay the reasonable expenses of the director's participation in a supervisory college in
 26 accordance with (c) of this section, including reasonable travel expenses. Under this
 27 section, a supervisory college may be convened as either a temporary or permanent
 28 forum for communication and cooperation between the regulators charged with the
 29 supervision of the insurer or its affiliates, and the director may establish a regular
 30 assessment to the insurer for the payment of these expenses.

31 (c) To assess the business strategy, financial position, legal and regulatory

1 position, risk exposure, risk management, and governance processes, and as part of the
 2 examination of individual insurers in accordance with AS 21.22.110, the director may
 3 participate in a supervisory college with other regulators charged with supervision of
 4 the insurer or its affiliates, including other state, federal, and international regulatory
 5 agencies. The director may enter into agreements in accordance under AS 21.06.060
 6 and AS 21.22.120 to share confidential information between the director and
 7 regulatory agencies or other members of the supervisory college. Nothing in this
 8 section delegates to the supervisory college the director's authority to regulate or
 9 supervise an insurer or its affiliates under this title.

10 * **Sec. 42.** AS 21.22.120 is amended to read:

11 **Sec. 21.22.120. Confidentiality.** All information, documents, **holding**
 12 **company analyses, insurer profile summaries,** and copies of the information and
 13 documents obtained by or disclosed to the director or any other person in the course of
 14 an examination or investigation under AS 21.22.110 and all information reported
 15 under **AS 21.22.020(b), 21.22.060, and 21.22.085 - 21.22.105,** [AS 21.22.060] and all
 16 preacquisition notification information received under AS 21.22.065 shall be given
 17 confidential **and privileged** treatment **under AS 21.06.060 and is not subject to**
 18 **discovery or admissible in evidence in a private civil action** [AND MAY NOT BE
 19 MADE PUBLIC BY THE DIRECTOR OR ANY OTHER PERSON, EXCEPT TO
 20 INSURANCE AGENCIES OF OTHER STATES WITHOUT THE PRIOR
 21 WRITTEN CONSENT OF THE INSURER TO WHICH IT PERTAINS]. However, if
 22 the director, after giving the insurer and its affiliates who would be affected by
 23 publication of the information notice and opportunity to be heard, determines that the
 24 interests of policyholders, shareholders, or the public will be served by the publication
 25 of the information, the director may publish all or part of the information in the
 26 manner the director considers appropriate.

27 * **Sec. 43.** AS 21.22.120 is amended by adding a new subsection to read:

28 (b) The director may

29 (1) share documents, materials, or other information, including the
 30 confidential and privileged information under (a) of this section, with state, federal,
 31 and international regulatory agencies, with the National Association of Insurance

1 Commissioners and its affiliates and subsidiaries, and with state, federal, and
2 international law enforcement authorities, including members of a supervisory college
3 described in AS 21.22.115, provided that the recipient agrees in writing to maintain
4 the confidentiality of the document, material, or other information and has verified in
5 writing the legal authority to maintain confidentiality;

6 (2) not share confidential and privileged documents, material, or
7 information reported under AS 21.22.060(n) with the insurance regulator of another
8 state, unless the statutes or regulations of the other state are substantially similar to this
9 section and the other state has agreed in writing not to disclose the information;

10 (3) enter into a written agreement with the National Association of
11 Insurance Commissioners governing sharing and use of information obtained under
12 this chapter that must

13 (A) specify procedures and protocols regarding the
14 confidentiality and security of information shared with the National
15 Association of Insurance Commissioners and its affiliates and subsidiaries
16 under this chapter, including procedures and protocols for sharing by the
17 National Association of Insurance Commissioners with state, federal, or
18 international regulators;

19 (B) specify that ownership of information shared with the
20 National Association of Insurance Commissioners and its affiliates and
21 subsidiaries under this chapter remains with the director and National
22 Association of Insurance Commissioners' use of the information is subject to
23 the direction of the director;

24 (C) require prompt notice to be given to an insurer whose
25 confidential information in possession of the National Association of Insurance
26 Commissioners under this chapter is subject to a request or subpoena to the
27 National Association of Insurance Commissioners for disclosure or production;
28 and

29 (D) require the National Association of Insurance
30 Commissioners and its affiliates and subsidiaries to consent to intervention by
31 an insurer in a judicial or administrative action in which the National

1 Association of Insurance Commissioners and affiliates and subsidiaries may be
2 required to disclose confidential information about the insurer shared with the
3 National Association of Insurance Commissioners and its affiliates and
4 subsidiaries under this chapter.

5 * **Sec. 44.** AS 21.22.170 is repealed and reenacted to read:

6 **Sec. 21.22.170. Civil penalties for violations.** (a) An insurer failing, without
7 just cause, to file a registration statement required under this chapter shall be required,
8 after notice and hearing under AS 21.06.170 - 21.06.240, to pay a \$200 fine for each
9 day the insurer fails to file the registration. The maximum penalty under this section is
10 \$50,000. The director may reduce the penalty if the insurer demonstrates to the
11 director that the imposition of the penalty would be a financial hardship to the insurer.

12 (b) A director or officer of an insurance holding company system who
13 knowingly violates, participates in, or assents to, or who knowingly permits an officer
14 or agent of an insurer to engage in transactions or make investments that have not been
15 properly reported or submitted under AS 21.22.060, 21.22.085, or 21.22.100, or that
16 violate this chapter, shall pay, in the director's or officer's individual capacity, a fine of
17 not more than \$50,000 for each violation, after notice and hearing under AS 21.06.170
18 - 21.06.240. In determining the amount of the fine, the director shall take into account
19 the appropriateness of the fine with respect to the gravity of the violation, the history
20 of previous violations, and other matters as justice may require.

21 (c) If the director has a reason to believe that an insurer subject to this chapter,
22 or a director, officer, employee, or agent of the insurer, has engaged in a transaction or
23 entered into a contract that is subject to AS 21.22.080 - 21.22.105, and that would not
24 have been approved had the approval been requested, the director may order the
25 insurer to cease and desist immediately any further activity under that transaction or
26 contract. After notice and hearing under AS 21.06.170 - 21.06.240, the director may
27 also order the insurer to void any contracts and restore the status quo if the action is in
28 the best interest of the policyholders, creditors, or the public.

29 (d) If the director has reason to believe that a person has committed a violation
30 of AS 21.22.010 or 21.22.020 that prevents the full understanding of the enterprise
31 risk to an insurer by its affiliates or by the insurance holding company system, the

1 violation may serve as an independent basis for disapproving dividends or
 2 distributions and for placing the insurer under an order of rehabilitation in accordance
 3 with AS 21.78.090.

4 * **Sec. 45.** AS 21.22 is amended by adding a new section to read:

5 **Sec. 21.22.175. Criminal penalties.** (a) An insurer or a director, officer,
 6 employee, or agent of an insurer who commits a wilful violation of this chapter is
 7 guilty of a class C felony.

8 (b) An officer, director, or employee of an insurance holding company system
 9 who knowingly subscribes to or makes or causes to be made a false statement or false
 10 report or false filing with the intent to deceive the director under this chapter is guilty
 11 of a class C felony.

12 (c) An insurer may not pay a fine imposed by a court on a director, officer,
 13 employee, or agent that is sentenced under (a) or (b) of this section. The fine must be
 14 paid by the officer, director, employee, or agent in the officer's, director's, or
 15 employee's individual capacity.

16 * **Sec. 46.** AS 21.22.200(10) is amended to read:

17 (10) "person" means an individual, a corporation, a limited liability
 18 company, a partnership, an association, a joint stock company, a trust, an
 19 unincorporated organization, any similar entity or any combination of these entities
 20 acting in concert, but does not include **a joint venture partnership exclusively**
 21 **engaged in owning, managing, leasing, or developing real or tangible personal**
 22 **property, or** a securities broker performing **not** [NO] more than the usual and
 23 customary broker's function;

24 * **Sec. 47.** AS 21.22.200 is amended by adding new paragraphs to read:

25 (15) "enterprise risk" means an activity, circumstance, event, or series
 26 of events involving one or more affiliates of an insurer that, if not remedied promptly,
 27 is likely to have a material adverse effect on the financial condition or liquidity of the
 28 insurer or its insurance holding company system as a whole including anything that
 29 would cause the insurer's risk based capital to fall into company action level as set out
 30 in AS 21.14.020 or would cause the insurer to be impaired or in imminent danger of
 31 becoming impaired as defined under AS 21.97.900 and regulations adopted by the

1 director;

2 (16) "supervisory college" means a forum for cooperation and
3 communication among the involved state, federal, and international regulators
4 established for the fundamental purpose of facilitating the effectiveness of supervision
5 of entities that belong to an insurance holding company system.

6 * **Sec 48.** AS 21 is amended by adding a new chapter to read:

7 **Chapter 23. Risk Management; Own Risk and Solvency Assessment.**

8 **Sec. 21.23.010. Risk management framework.** An insurer shall maintain a
9 risk management framework to assist the insurer with identifying, assessing,
10 monitoring, managing, and reporting on its material and relevant risks. This
11 requirement may be satisfied if the insurance group of which the insurer is a member
12 maintains a risk management framework applicable to the operations of the insurer.

13 **Sec. 21.23.020. Own risk and solvency assessment requirement.** Unless
14 exempted under AS 21.23.040, an insurer or the insurance group of which the insurer
15 is a member shall regularly conduct an own risk and solvency assessment consistent
16 with the own risk and solvency assessment guidance manual. The assessment shall be
17 conducted annually, but also at any time when there are significant changes to the risk
18 profile of the insurer or the insurance group of which the insurer is a member.

19 **Sec. 21.23.030. Own risk and solvency assessment summary report.** (a) If
20 requested by the director, an insurer shall submit an own risk and solvency assessment
21 summary report or any combination of reports that together contain the information
22 described in the own risk and solvency assessment guidance manual that is applicable
23 to the insurer or the insurance group of which it is a member. The director's request for
24 a report from an insurer is limited to one request a year. The report must be submitted
25 to the director within 30 days of the request, unless the insurer requests an extension
26 of time in writing and the director grants the request. If an insurer is a member of an
27 insurance group, the insurer shall submit the report required by this subsection more
28 than annually if the director is the lead state regulator of the insurance group as
29 determined by the procedures in the Financial Analysis Handbook adopted by the
30 National Association of Insurance Commissioners.

31 (b) For a report submitted under this section, an insurer or insurance group's

1 chief risk officer or other executive having responsibility for the oversight of the
2 insurer's enterprise risk management process shall sign the report and attest to the best
3 of the officer's or executive's belief and knowledge that the insurer applies the
4 enterprise risk management process described in the report and that a copy of the
5 report has been provided to the insurer's board of directors or the appropriate
6 committee of the board.

7 (c) An insurer may comply with (a) of this section by providing the most
8 recent and substantially similar report or reports provided by the insurer or another
9 member of the insurance group of which the insurer is a member to the insurance
10 regulator of another state or a foreign jurisdiction, if that report provides information
11 that is comparable to the information described in the own risk and solvency
12 assessment guidance manual. A report in a language other than English must be
13 accompanied by a translation of that report into the English language.

14 **Sec 21.23.040. Exemption.** (a) An insurer is exempt from the requirements of
15 this chapter, if

16 (1) the insurer has annual direct written and unaffiliated assumed
17 premium, including international direct and assumed premium but excluding
18 premiums reinsured with the Federal Crop Insurance Corporation and the National
19 Flood Insurance Program, less than \$500,000,000; and

20 (2) the insurance group of which the insurer is a member has annual
21 direct written and unaffiliated assumed premium, including international direct and
22 assumed premium, but excluding premiums reinsured with the Federal Crop Insurance
23 Corporation and the National Flood Insurance Program, less than \$1,000,000,000.

24 (b) If an insurer qualifies for exemption under (a)(1) of this section, but the
25 insurance group of which the insurer is a member does not qualify for exemption
26 under (a)(2) of this section, then the own risk and solvency assessment summary
27 report required under AS 21.23.030 must include every insurer within the insurance
28 group. This requirement may be satisfied by the submission of more than one own risk
29 and solvency assessment summary report for a combination of insurers provided the
30 combination of reports includes every insurer within the insurance group.

31 (c) If an insurer does not qualify for exemption under to (a)(1) of this section,

1 but the insurance group of which it is a member qualifies for exemption under (a)(2)
 2 of this section, then the only own risk and solvency assessment summary report that
 3 may be required under AS 21.23.030 is the report applicable to that insurer.

4 (d) An insurer that does not qualify for exemption under (a) of this section
 5 may apply to the director for a waiver from the requirements of this chapter based on
 6 unique circumstances. In deciding whether to grant the insurer's request for a waiver,
 7 the director may consider the type and volume of business written, ownership and
 8 organizational structure, and any other factor that the director considers relevant to the
 9 insurer or insurance group of which the insurer is a member. If the insurer is part of an
 10 insurance group with insurers domiciled in more than one state, the director shall
 11 coordinate with the lead state regulator and with the other domiciliary regulators in
 12 considering whether to grant the insurer's request for a waiver.

13 (e) Notwithstanding the exemptions stated in this section, the director may
 14 require that an insurer maintain a risk management framework, conduct an own risk
 15 and solvency assessment, and file an own risk and solvency assessment summary
 16 report

17 (1) based on unique circumstances, including the type and volume of
 18 business written, ownership and organizational structure, federal agency requests, and
 19 international supervisor requests;

20 (2) if the insurer has risk based capital for company action level event
