

THE SECRETARY OF HEALTH AND HUMAN SERVICES
WASHINGTON, D.C. 20201

MAR - 6 2015

The Honorable Bill Walker
Governor of Alaska
Juneau, AK 99811

Dear Governor Walker:

Thank you for your efforts regarding Medicaid expansion in Alaska. In follow up to our staffs' discussions, I wanted to provide you with the following information on the Medicaid coverage expansion provision of the Affordable Care Act.

As you know, the law provides that the federal government will pay 100 percent of the amounts expended by the state for medical assistance for such newly-eligible adult beneficiaries through 2016. The federal contribution gradually declines beginning in 2017, but it is never less than 90 percent of the cost of care. In previous guidance, we notified states of the opportunity to extend coverage, and the absence of federal financial penalties if a state does not do so, or if it does so and later drops such coverage. See question and answer 25 of the Frequently Asked Questions on Exchanges, Market Reforms and Medicaid, issued on December 10, 2012, and available at: <http://www.cms.gov/CCIIO/Resources/Files/Downloads/exchanges-faqs-12-10-2012.pdf>.

Consistent with that guidance, Alaska may take up the Medicaid coverage expansion, and then later drop it at state option. There is no requirement for a state to maintain coverage for the new adult group. We generally encourage states that eliminate any coverage category elected at state option to plan for a smooth transition process for phasing out that coverage. For that reason, states' 1115 demonstrations include a standard phase out term and condition. This includes requiring that any individuals who may continue to be eligible for Medicaid in other eligibility categories are notified and given the opportunity to continue coverage through that alternative category. We also note that if Alaska expands Medicaid coverage and then drops such coverage at a later point, there would be no resulting financial penalty and no reduction to the federal matching dollar rates otherwise available to Alaska for its Medicaid program.

I hope this information is useful in your efforts to help low-income Alaska residents gain coverage and to reduce uncompensated care for Alaska health care providers. Please do not hesitate to contact me if you have any further thoughts or concerns.

Sincerely,

Sylvia M. Burwell
