FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

BILL NO. HB164

Analysis

HB164 updates insurance statutes to comply with the National Association of Insurance Commissioner (NAIC) standards for accreditation as they relate to holding companies, own-risk solvency, risk based capital, and the Health Organizations Model Act. The regulation associated with this bill is a model regulation from the NAIC for the holding company section of this bill. The Division of Insurance anticipates no fiscal impact from this legislation.
