SENATOR BILL WIELECHOWSKI

Explanation of Changes: Version H to Version P

Senate Bill 2– Employment Preference for Veterans

Version P makes two changes to Senate Bill 2, to clarify the scope of this legislation.

The proposed committee substitute removes spouse and domestic partner (version H, lines 6-7). Consequently, the definition of domestic partner is also removed (version H, line 8).

This CS also expands the definition of veteran to include one who was in a reserve unit and those who served in the National Guard (version P, line 8, 10-12).
