To whom it may concern:

Please pass this bill. There should be no ads of any kind about anything in the voter information booklet.

Thank you!

I support HB13, eliminating the language in state statutes that allows political parties to include up to 2 pages of material in the official Alaska Election Pamphlet. There should be no partisan ads in the election pamphlet. Thank you.

This message is to state my vigorous support for HB 13. It is simply unacceptable to permit political ads in the election pamphlet. It is as if those same ads were permitted inside the voting booth and everyone would find that intolerable.

Thank you for passing this message along to our lawmakers.
