Board of Game Candidate Interview

To Gary Zepp; Maridon Boario; Kimberly Clark; Julie Morris; Luann Coghill

Good Morning All

Would you please pass this along to the House Resource Committee today. I would like to send an endorsement for Teresa Sager-Albaugh for her reappointed to the Board of Game. I have personally participate in the Board of Game process, and have always been impressed with the way in which she carries herself at these meeting. She a great listener, open minded, knowledgeable, and is watching out for not only the resource, but the interest of all Alaskans.

Best regards

Frank Neumann
