A BILL

FOR AN ACT ENTITLED

"An Act relating to compliance with federal education laws; relating to public school accountability; relating to standards-based assessments and teacher performance standards; and providing for an effective date."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 14.03.123(c) is amended to read:

(c) The state board shall adopt regulations implementing this section, providing for a statewide student assessment system, and providing for the process of assigning a designation under (a) of this section, including

(1) the methodology used to assign the performance designation, including the measures used and their relative weights;

(2) high performance and low performance designations that are based on the accountability system under this section;

(3) a procedure for appealing a designation that may be used by the principal of a public school or by the superintendent of a public school district;

L

New Text Underlined [DELETED TEXT BRACKETED]
(4) additional measures that may be progressively implemented by the commissioner to assist schools or districts to improve performance in accordance with this section; [AND WITH FEDERAL LAW; TO THE EXTENT NECESSARY TO CONFORM TO FEDERAL LAW,] the additional measures may be unique to a certain school or district if that school or district receives federal funding that is not available to all schools or districts in the state;

(5) the methodology used to assign the state public school system a performance designation that compares the state public school system to public school systems in other states and countries.

* Sec. 2. AS 14.03.123(d) is amended to read:

(d) A public school or district that receives a low performance designation under this section shall prepare and submit to the department a school or district improvement plan, as applicable, in accordance with regulations adopted by the board. The improvement plan must be prepared with the maximum feasible public participation of the community including, as appropriate, interested individuals, teachers, parents, parent organizations, students, tribal organizations, local government representatives, and other community groups. The improvement plan must give preference to measures that increase local control of education and parental choice and that do not require a direct increase in state or federal funding for the school or district.

* Sec. 3. AS 14.03.123(e) is amended to read:

(e) The department shall establish a program of special recognition for those public schools that receive a high performance designation, based on the accountability system under (f) of this section, that demonstrates an improvement over the school's performance designation for the previous year.

* Sec. 4. AS 14.03.123(f) is amended to read:

(f) In the accountability system for schools and districts required by this section, the department shall

(1) [IMPLEMENT 20 U.S.C. 6301 - 7941 (ELEMENTARY AND SECONDARY EDUCATION ACT OF 1965), AS AMENDED;]

(2) implement state criteria and priorities for accountability including
the use of
(A) measures of student performance on standards-based
assessments in language arts and mathematics;
(B) measures of student improvement; and
(C) other measures identified that are indicators of student
success and achievement; and

(2) [3] to the extent practicable, minimize the administrative burden
on districts.

* Sec. 5. AS 14.03.123 is amended by adding a new subsection to read:

(h) The department shall, by regulation, develop procedures to

(1) allow the parent or guardian of a student or a student who is
emancipated or is 18 years of age or older to opt out of any student assessment used to
implement the accountability system under this section; and

(2) ensure that individually identifiable data pertaining to a student
collected under this section is stored securely and is only accessible to the student, the
student's parents or guardian, the student's teacher, and other individuals in the state
with a legitimate need for the information to perform the duties described under this
section.

* Sec. 6. AS 14.03 is amended by adding a new section to read:

Sec. 14.03.124. Approval of standards-based assessments and teacher
performance standards. (a) The department shall establish, by regulation, a process
for submitting standards-based assessments and teacher performance standards to
school districts and the legislature for approval. The process must include

(1) school district involvement in developing, revising, and selecting
standards-based assessments and teacher performance standards;

(2) an opportunity for school districts to review and recommend
approval or disapproval of the standards-based assessments and teacher performance
standards;

(3) submission of the standards-based assessments and teacher
performance standards to the legislature for approval if a majority of school districts
recommend approval of the standards-based assessments and teacher performance
(4) procedures for revising standards-based assessments and teacher performance standards that the legislature disapproves under this section.

(b) If the legislature fails to take action on the standards-based assessments or teacher performance standards before the end of the legislative session in which the standards-based assessments or teacher performance standards are submitted to the legislature, or, if submitted during the interim between legislative sessions, the session immediately following that interim, the standards-based assessments or teacher performance standards on which the legislature failed to act are approved.

* Sec. 7. AS 14.07.020(a) is amended to read:

(a) The department shall

(1) exercise general supervision over the public schools of the state except the University of Alaska;

(2) study the conditions and needs of the public schools of the state, adopt or recommend plans, administer and evaluate grants to improve school performance awarded under AS 14.03.125, and adopt regulations for the improvement of the public schools;

(3) provide advisory and consultative services to all public school governing bodies and personnel;

(4) prescribe by regulation a minimum course of study for the public schools; the regulations must provide that, if a course in American Sign Language is given, the course shall be given credit as a course in a foreign language;

(5) establish, in coordination with the Department of Health and Social Services, a program for the continuing education of children who are held in detention facilities in the state during the period of detention;

(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the department and presented to the legislature during the first 10 days of any regular session, and become effective 45 days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of the members of each house;
(7) prescribe by regulation, after consultation with the state fire 
marshal and the state sanitarian, standards that will assure healthful and safe 
conditions in the public and private schools of the state, including a requirement of 
physical examinations and immunizations in pre-elementary schools; the standards for 
private schools may not be more stringent than those for public schools;

(8) exercise general supervision over pre-elementary schools that 
receive direct state or federal funding;

(9) exercise general supervision over elementary and secondary 
correspondence study programs offered by municipal school districts or regional 
educational attendance areas; the department may also offer and make available to any 
Alaskan through a centralized office a correspondence study program;

(10) accredit private schools that request accreditation and that meet 
accreditation standards prescribed by regulation by the department; nothing in this 
paragraph authorizes the department to require religious or other private schools to be 
licensed;

(11) review plans for construction of new public elementary and 
secondary schools and for additions to and major rehabilitation of existing public 
elementary and secondary schools and, in accordance with regulations adopted by the 
department, determine and approve the extent of eligibility for state aid of a school 
construction or major maintenance project; for the purposes of this paragraph, "plans" 
include educational specifications, schematic designs, projected energy consumption 
and costs, and final contract documents;

(12) provide educational opportunities in the areas of vocational 
education and training, and basic education to individuals over 16 years of age who 
are no longer attending school;

(13) administer the grants awarded under AS 14.11;

(14) establish, in coordination with the Department of Public Safety, a 
school bus driver training course;

(15) require the reporting of information relating to school disciplinary 
and safety programs under AS 14.33.120 and of incidents of disruptive or violent 
behavior;
Legislative Review of Standards-Based Assessments and Teacher Evaluations. The Department of Education and Early Development shall submit the current standards-based assessments and teacher performance standards to the legislature before intervening in a school district under AS 14.07.030(4), or redirecting public school funding under AS 14.07.030(15).

(17) notify the legislative committee having jurisdiction over education before intervening in a school district under AS 14.07.030(4), or redirecting public school funding under AS 14.07.030(15).

(18) REPEALED.
