Mission: Increase the economic value of Alaska's seafood resources.

- Export value up nearly 85 percent to \$3.2 billion in ten years
- Responsible Fisheries Management initiative
- Collaborating with tourism marketing, Alaska Grown, and Nutritious Alaskan Foods in Schools programs
- Voluntary Fish Tax at .5 percent of ex-vessel value, generating roughly \$12 million

Affordable Energy

- Alaska Energy Authority
- Alaska Gasline Development Corporation

Affordable Energy

Alaska Energy Authority

Mission: Reduce the cost of energy in Alaska.

- Nearly \$40 million disbursed in Power Cost Equalization grant payments to 188 communities in FY2014
- 53 of 114 rural power system upgrades completed
- 22 projects funded through the Emerging Energy Technology Fund program
- Annual fuel savings from the Renewable Energy Fund projected to be 20 million gallons of diesel equivalent in 2016

Affordable Energy

Alaska Gasline Development Corporation

Mission: Advance the development, financing, construction and operation of in-state natural gas pipelines and other transportation systems to deliver natural gas and other non-oil hydrocarbon products for the maximum benefit of Alaskans.

- Working to synchronize timing of AKLNG and ASAP project decisions
- Completed ASAP Class 3 cost estimate (+/- 20%)
- Produced new burner tip estimates
FBKS \$11.50 - \$14, ANC \$11.50 - \$14.50

Strong Communities

- Division of Community and Regional Affairs

Opportunities to breakdown silos and carry the state's full briefcase to all areas of the state

Strong Communities

Division of Community and Regional Affairs

Mission: Promote strong communities and healthy economies.

- Capacity building and technical assistance provided to over 200 communities; 80 disruptions to essential public services prevented
- Rural Utility Business Advisor program assisted 147 communities and trained nearly 200 rural utility managers
- Local Boundary Commission approved the Edna Bay incorporation, creating Alaska's first new city in ten years
- Over \$85 million distributed to 307 communities through revenue sharing and other programs
- Staff being cross-trained to deliver secondary information and assistance to local governments

Consumer Protection

- Alcoholic Beverage Control Board
- Regulatory Commission of Alaska
- Division of Banking and Securities
- Division of Corporations, Business and Professional Licensing
- Division of Insurance

Consumer Protection

Alcoholic Beverage Control Board

Mission: Protect the public from alcoholic beverage abuse by enforcing state laws regulating alcoholic beverage commerce.

- 1,847 active liquor licenses in 2014
- Issued 1,432 catering and special events permits
- Since transition into DCCED in FY2013, increased collaboration with other agencies, communities and businesses
- Registered interested individuals online for updates on development of regulations for marijuana
- Title 4 rewrite ready for legislative consideration
- Supplemental requested for FY2015 PSUM implementation

Consumer Protection

Regulatory Commission of Alaska

Mission: Assure viable utility and pipeline service is provided with just and reasonable rates to consumers in Alaska.

- Significantly improved processes and minimized costs to ratepayers and companies
- Collaborating with the Regulatory Assistance Project to lower costs and lead to more efficient use of the Power Cost Equalization Fund

Consumer Protection

Division of Banking and Securities

Mission: Protect consumers of financial services and promote safe and sound financial systems.

- Contributed \$13.2 million of licensing fee and fine receipts to the general fund
- Facilitated \$95.0 in restitution payments to Alaskans
