Subject: Mentor Program
Date: Tuesday, March 08, 2016 12:13:15 PM

I am a first year SPED teacher in Kivalina. We are very isolated here and I have been unable to stay in contact with the district people when I had questions. The folks in the mentor program helped me when I needed answers and couldn't wait on district. They also helped me procure materials that I needed that are unavailable in Kivalina. Thanks mentors!
