Subject: Budget Cuts
Date: Monday, March 07, 2016 8:32:50 PM

You can cut all day long and it will not cover the budget gap. Start the conversation now on how you'll pay for it. Stop paying the PFD. Start income taxes. Now is the time. Liberal or conservative, every conversation I've had in the past few months thinks the same way. Have the courage to do the right thing for Alaska.
