Subject: Proposed cuts go too far
Date: Tuesday, March 08, 2016 1:16:07 PM

Cuts like the ones to pre-K, the university, foster care programs & senior citizens for home heating, etc. are horribly misguided. If you want to cut, cut out spending on more studies on what to do about the LIO & on ridiculous lawsuits that we can't win, and stop passing unconstitutional laws like the current proposed law regarding sex education in schools that will just lead to more unneeded legal spending. We need new revenue & a plan for fiscal stability along the lines of what Gov. Walker has proposed, and as Gunnar Knapp's presentation makes clear. We also need to make sure we are getting adequate tax returns from the oil & gas industry instead of paying them money for no return. We need all these things to get done THIS LEGISLATIVE SESSION!
