EXPLANATION OF CHANGES TO HB 13

Sections 1 and 2 have been removed, which were the portions relating to printing the postage required to mail the absentee ballot on the envelope itself. These portions had addressed our concern that people were unaware of what the correct postage was for mailing the absentee ballot. The bill language, according to the Division of Elections, creates some difficulties that they may be able to avoid by remedying the problem internally. The remaining portion of the bill still removes political party ads from the Official Election Pamphlet.
