**FISCAL NOTE ANALYSIS**

**STATE OF ALASKA  
2016 LEGISLATIVE SESSION**

**BILL NO.** HB 337

**Analysis**

This bill creates a requirement that marijuana cultivation facility license holders be bonded, and allows the Marijuana Control Board to suspend a marijuana cultivation facility license if a license holder fails to meet the bonding requirements or fails to pay its taxes. Additionally, the legislation creates a requirement that the Department of Revenue receive and approve a bond, and notify the Marijuana Control Board of that approval prior to issuance of a marijuana cultivation facility license.

The bill will require some changes to regulations related to application requirements and justifications for suspension of licenses. These changes are anticipated to be included with planned regulation packages. The Alcohol and Marijuana Control Office does not anticipate fiscal impact from this legislation.
