House Bill 289

### Sectional Analysis – Version A

**Section One:** Membership of the Board of Barbers and Hairdressers is increased to seven members from six members. One barber seat is replaced with an at-large licensed member. One licensed nail technician or manicurist is added to the board.

**Section Two:** Implements the changes as board members rotate off the board.

Kindly note that a sectional analysis of a bill should not be considered an authoritative interpretation of the measure itself. The legislation is the best statement of its contents.
