## EXPERIENCE

October 2012 to present	City and Borough of Juneau I was elected to a three year term on the city assembly in October 2012. This is the governing body for the City and Borough. From this service I also did serve one year on the Board of Directors of the Alaska Municipal League representing Juneau.
March 2003 to 2007	RnCom Juneau, Alaska Owner of RnCom, a social services and substance abuse consulting business. The goal was to be available to work with local, regional and state substance abuse programs on issues facing a changing profession.  Worked for Westat on implementation of web based MIS for State level substance abuse agencies. Worked primarily with State of Nevada Bureau of Substance Abuse and Salt Lake County, Utah Division of Substance Abuse Services.
May 2002 to March 2003	Department of Health & Social Services Juneau, Alaska Director, Division of Alcoholism and Drug Abuse  Responsible for the overall management, supervision of all activities prescribed by Alaska Statute 47.37 and 44.29. Responsible for the development, planning, and implementation of a statewide system of alcoholism and drug abuse prevention, intervention and treatment programs. Management of a grant-in-aid budget of over 40 million dollars, over sixty separate grant programs and supervised a staff of 42 in three separate locations in the state. Responsible for certification of all private and public treatment agencies in Alaska.
Oct 99 to March 2003	Division of Mental Health and Developmental Disabilities Anchorage, Alaska Department of Health & Social Services Project Director, Community Mental Health/AP! 2000  In October of 1997 DHSS approved a plan to improve community mental health services in Anchorage to assist in the replacement of the existing Alaska Psychiatric Institute with a new but smaller facility. In July 1999 DMHDD was awarded a three-year \$15,000,000 grant from SAMHSA for implementing this plan. Implementing this plan requires program development involving hospitals, mental health and substance abuse providers, developing training programs for these agencies, and managing an outcome evaluation contract with the University of Alaska Anchorage. Tasks involve working on negotiations for service changes, new services and financial costs for these services.
