Subject: SB 159 Indigenous Peoples Day

Dear Senators and Representatives,

Please support for ~~SB 159~~ ^{HB 275} Indigenous Peoples Day. By supporting this bill and making sure it is read into law before the end of this session means you will be helping fight the battle against racism.

Our state has gone through genocide and the State of Alaska needs to make amends with the Alaska Native peoples. You many not have been around during the genocide but you can help us recover from it. Haw'aa for your support I am excited to watch this bill become law!

Haw'aa!
