FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2016 LEGISLATIVE SESSION**

BILL NO. HB 298

Analysis

Under the Public Employee Relations Act (PERA), AS 23.40.070, public employers must negotiate with employees “on matters of wages, hours, and other terms and conditions of employment.”

This bill may impact the Mt. Edgecumbe teachers (TEAME), with whom the Division of Labor Relations negotiates. These teachers are currently working under a 2015-2017 Collective Bargaining Agreement (CBA), which outlines specific criteria under which a teacher may be laid off.

The language in HB 298 removes the criteria of decreased school attendance and decreased basic need and leaves the decision to reduce tenured teachers to the school districts. While no change would take place in regards to Mt. Edgecumbe teachers' current CBA, should HB 298 pass, the Division of Labor Relations will have to address the new language during bargaining. Bargaining with TEAME will commence in the fall of 2016.

There are no identified fiscal costs to the Department of Administration, Division of Personnel and Labor Relations.
