## ASSOCIATED REGULATIONS

Does the bill direct, or will the bill result in, regulation changes adopted by your agency?  
If yes, by what date are the regulations to be adopted, amended or repealed?

## Why this fiscal note differs from previous version:

The previous fiscal note indicated that an employee would have successfully completed a training program approved by the Department of Health and Social Services. It has been determined that the bill does not task the Department of Health and Social Services with any training program oversight or approval, and this section of the Corrections fiscal note has been removed.

**FISCAL NOTE ANALYSIS**

**STATE OF ALASKA  
2015 LEGISLATIVE SESSION**

**BILL NO. SB23**

**Analysis**

This legislation amends AS 09.65 by adding a new section to grant immunity from civil damages, except in cases of gross negligence or intentional misconduct, to persons prescribing, providing or administering an opioid overdose drug to a person at risk of experiencing an opioid overdose.

Passage of this new section will allow employees of the Department of Corrections to obtain and administer an opioid overdose drug if the employee has successfully completed a training program.

The Department of Corrections does not anticipate a significant fiscal impact with passage of this legislation and the additional training requirements therefore is submitting a zero fiscal note.
