Rural Perspective

Etta Kuzakin

- Resident of King Cove
- Agdaagux (Ah-dog-o)
Tribal Council President
- Weatherization Recipient

King Cove is located on the south side of the *Alaska* Peninsula

A different view

The Aleut people have lived in this remote area of the *Alaska* Peninsula for more than 4,000 years.

Agnes Gould
Weatherization Client

“Before the work was done on my home, I was going through 200 gallons of fuel a month. After they installed the new heating system, windows and insulation, I now use about half of that.”

Thank You!!!
