FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2015 LEGISLATIVE SESSION**

BILL NO. HB200

Analysis

Under current law, a person seeking to adopt any child in the custody of the department must file a formal petition for adoption. The adoption hearing would then be heard in a probate proceeding, which is separate from Child in Need of Aid proceedings. This creates challenges to the adoption process because a child in need of aid is a unique case. This bill would align adoption of a child in need of aid under AS 47.10 and allow for the department to develop alternatives to the formal adoption petitions that are currently required under AS 25.23.080. This bill will improve department compliance with the Indian Child Welfare Act and support tribal partnerships and efforts.
