**BILL NO. SB206**

**Analysis**

This legislation directs the Division of Insurance to establish an assessment and reinsurance program for high risk residents, and amends the definition of high risk. The cost of developing regulations for this program can be absorbed, and no appropriation is needed to implement the program.

This legislation also directs the director of the Division of Insurance to analyze the benefits of, and prepare an application for an innovation waiver as allowed under Pub. L. 111-148 (Patient Protection and Affordable Care Act) under 42 U.S.C. 18052.
