**Date:** Wednesday, March 30, 2016 7:56:34 AM

---

I DO NOT support HB 338 or any other bills that effect Seniors we live on a fixed income and this would force a lot of us to move to another state that it is cheaper to live. I was born in the territory of Alaska in 1951 and I have paid property taxes since the early 70s. Thank You Neal Sullivan
