**FISCAL NOTE ANALYSIS****STATE OF ALASKA  
2016 LEGISLATIVE SESSION****Analysis**

HB143 would authorize the Alaska Industrial Development and Export Authority (AIDEA) to issue conduit bonds to finance the infrastructure and construction costs of the Sweetheart Lake hydroelectric project. It is expected that the costs of issuing these bonds would be included in the bond sale. The bonds authorized by HB 143 are not to be included in calculating AIDEA's 12-month bond limit (under 44.88.095(a)). AIDEA estimates that there will be no fiscal impact as a result of this bond issuance.
