FISCAL NOTE ANALYSIS

STATE OF ALASKA 2016 LEGISLATIVE SESSION

BILL NO. HB236

Analysis

This bill would amend AS 25.05.261 related to marriage solemnization, prohibit any duty being placed on a clergy member, religious leader or congregation to solemnize a marriage or to provide goods, services or accommodations related to the celebration or formation of a marriage. It would also prohibit the any civil or criminal liability or other penalty from being imposed by the state or a municipality on a clergy member, religious leader or congregation for refusing to solemnize a marriage or to provide goods, services or accommodations related to the celebration or formation of the marriage.
This bill has zero fiscal impact to the Department of Health and Social Services. Per AS 18.50.270, the Bureau of Vital Statistics is responsible for prescribing and furnishing marriage license/certificate forms, not the solemnization.
