HB 112 Sponsor Statement

The Committee Substitute for House Bill 112, version P, is in response to Administrative Order 279 which moved the administrative and research functions of the Commercial Fisheries Entry Commission (CFEC) to the Department of Fish and Game (DFG).

Version P defines executive compensation for the commissioners and limits working hours to no more than eight hours a day or 15 hours a week. Commissioners are not eligible to receive group life and health insurance provided under AS 39.30.090 - 39.30.095. Commissioners are entitled to per diem and travel expenses authorized for boards and commissions.

Transition language defines compensation for employees that are moved from the exempt service under CFEC to the classified service under DFG.

Staff salaries take effect immediately and commissioner salaries take effect on January 1st, 2017.
