

## **Explanation of Changes HB 112, Version W to Version N**

Version N contains none of the transfer of duty language in version W that would have moved certain functions within the Commercial Fisheries Entry Commission (CFEC) to the Department of Fish and Game (DFG). Administrative Order 279, dated 2/16/16, accomplished this, making transfer language unnecessary and the bill notably less complex.

Version N does three things:

- 1) Defines executive compensation for the CFEC commissioners who remain in the exempt service.
- 2) Defines compensation for staff that are moved from except service under the CFEC to classified service under DFG.
- 3) Provides effective dates. Staff salary schedules are effective immediately and commissioner salaries take effect on January 1<sup>st</sup>, 2017.
