HB 112 Sponsor Statement

The Committee Substitute for House Bill 112, version N, is in response to Administrative Order 279 which moved the administrative and research functions of the Commercial Fisheries Entry Commission (CFEC) to the Department of Fish and Game (DFG).

Version N defines executive compensation for the three commissioners and compensation for employees that are moved from the exempt to the classified service under DFG. Staff salaries take effect immediately and commissioner salaries take effect on January 1st, 2017
