2 Delete all material and insert:

3 "(15) "emergency medical condition" means a medical condition
4 manifesting itself by acute symptoms of sufficient severity, including severe pain, that
5 a prudent person who possesses an average knowledge of health and medicine could
6 reasonably expect that the absence of immediate medical attention would result in
7 serious impairment of bodily functions, serious dysfunction of a bodily organ or part,
8 or would place the person's health or, with respect to a pregnant woman, the health of
9 the woman or her unborn child, in serious jeopardy."
