**FISCAL NOTE ANALYSIS**

**STATE OF ALASKA  
2016 LEGISLATIVE SESSION**

**BILL NO.** HB 234

**Analysis**

HB234 amends Title 21, the Insurance statutes, to require health care insurers to provide coverage for mental health benefits provided through telemedicine without a previous in person visit. This requirement would only apply to individual health insurance plans, not to group market or self-funded plans.

The Division of Insurance does not anticipate fiscal impact from this legislation.
