STATE OF ALASKA 2016 LEGISLATIVE SESSION

Analysis

SB 121 would add a new section, AS 45.48.220, to AS 45.48 (Personal Information Protection Act) to allow a parent or guardian of a minor to make a request under AS 45.48.100 - 45.48.290 (Credit Report and Credit Score Security Freeze) in order to place a security freeze on the minor's consumer credit report. If a consumer credit report does not exist at the time the request is made, the consumer credit reporting agency would be required to generate a record or consumer credit report for the purpose of placing a security freeze.

The Department of Law does not anticipate a fiscal impact to the department should this bill become law.
