FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

BILL NO. HB 77

Analysis

This bill requires the Alaska Police Standards Council (APSC) to amend its training curriculum requirements for Alaska police officers, correctional officers, probation officers, and parole officers to include training in recognizing people with disabilities, appropriate interactions with persons with disabilities, and resources available to those interacting with persons with disabilities.

This bill will result in the need for APSC to amend its regulations to incorporate the additional training requirements. It is expected that regulations would be adopted no later than July 1, 2016.

No fiscal impact to APSC is anticipated.
