**SCR 4 Relating to the duties of delegates selected by the legislature to attend a convention of the states called under art. V, Constitution of the United States, to consider a countermand amendment to the Constitution of the United States; establishing as a joint committee of the legislature the Delegate Credential Committee and relating to the duties of the committee; providing for an oath for delegates and alternates to a countermand amendment convention; providing for a chair and assistant chair of the state's countermand amendment delegation; providing for the duties of the chair and assistant chair; providing instructions for the selection of a convention president; and providing specific language for the countermand amendment on which the state's convention delegates are authorized by the legislature to vote to approve.**

## Summary of Changes

### SCR 4 ver W

**Pg 2, Ln 16:** Replaces "two-thirds" with "three-fourths" referring to the number of states needed in order to ratify.

Corrects a drafting error to accurately reflect Article 5 of the United States constitution

**Pg 4, Ln 3-5:** Amended to read "FURTHER RESOLVED that the reestablishment of the Delegate Credential Committee shall be evaluated during the First Regular Session of the Thirtieth Alaska State Legislature and subsequent legislatures, and the legislature shall determine whether the Delegate whether the Delegate Credential Committee shall continue, and be it"

This Change was made to clarify that SCR 4 requests that future legislatures review the Delegate Credential Committee and decide whether the committee should continue.
