RE: House Bill 122

Dear Representative Colver:

On behalf of the National Federation of Independent Business/Alaska, I wish to respectfully share our support for House Bill 122. The National Federation of Independent Business is the largest small-business advocacy group in Alaska.

This legislation is sensible regulatory reform by any measure. It changes the reporting requirement process from 2 years to 4 years. This change saves time for both the companies required to file and the state employees who must process the reports.

At a time when small businesses are dealing with ever-increasing regulation and changing economics, we appreciate legislation that helps save time and effort for business owners.

Sincerely yours,

Dennis L. DeWitt
Alaska State Director
