FISCAL NOTE ANALYSIS

STATE OF ALASKA
2015 LEGISLATIVE SESSION

BILL NO. HB116

Analysis

HB 116 extends statutory authorization for the existing ABC Board. Adoption of the bill will continue existing activities of the board, and administration by the ABC agency director and staff. Failure to adopt the bill would cause operations of the ABC board to cease as of June 30, 2015.

The ABC Board's mission is to control the manufacture, possession, sale, barter and trade of alcoholic beverages and, as of February 24, 2015, of marijuana in the State of Alaska. The ABC Board and its agency staff, housed in DCCED, issue liquor licenses and permits and enforce laws and regulations regarding alcohol in Alaska. AS 17.38 makes the ABC Board the default agency for regulating marijuana in Alaska as of February 24, 2015, and anticipates the ABC Board completing regulations relating to marijuana by November, 2015 and issuing marijuana business licenses by May, 2016.

Currently there are approximately 1,875 active liquor licenses in the State of Alaska. Each of these licensees relies on the ABC Board and agency for administration of and renewal of the licenses that enable them to continue the operation of their business. The voters have assigned the task of developing regulations for similar licensing of marijuana businesses. Continued authority for the board is necessary for continuation of these important activities on behalf of the people of Alaska.
