## Sponsor Statement

HCR 10 declares the Legislature's recognition of the need for the Alaska Maritime Workforce Development Plan, the Alaska Workforce Investment Board and Alaska Vocational & Technical Education Center in Seward (AVTEC). It conveys support for the Alaska Maritime Workforce Industry Advisory Committee, whose guidance and leadership will be an integral component of the implementation of the Plan. HCR 10 encourages support and participation by various state agencies already tasked with the mission of workforce development and includes a goal of increasing resident hire in the maritime industry to 75% by 2020.
