## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2017 LEGISLATIVE SESSION**Analysis**

The bill would allow for an annual draw from the Permanent Fund earnings reserve of up to 5.25 percent of the average market value of the fund, including earnings reserve, for the first five of the preceding six fiscal years. This draw would be allocated between the Dividend Fund and the General Fund. Managing toward this liability may change the asset allocation of the Permanent Fund, however at this time it is difficult to forecast if it would impact the asset allocation to a degree that would require additional investment staff, accounting staff or related resources.
