FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2017 LEGISLATIVE SESSION

BILL NO. HB 48

**Analysis**

HB 48 extends the statutory authority for the existing Board of Registration for Architects, Engineers, and Land Surveyors through June 30, 2025. Adoption of the bill will continue existing activities by the board and administration by the division. Failure to adopt the bill will result in a one-year wind-down of the board in FY2018, and the division would assume all licensing responsibility in FY2019.

In addition, this legislation proposes to replace one (1) temporary (non-voting) landscape architect board member with one (1) permanent (voting) landscape architect board member.

If the bill passes the following expenses will be incurred:

Travel: \$27.8 (one staff and eleven board members to attend four board meetings per year)  
Services: \$0.2 (advertising of public notice of board meetings)  
          \$1.0 (training/conference fees for board members)  
          \$0.5 (honorarium/stipend for board meetings)  
          \$0.1 (commission sales for booking board member travel)

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
