

(f) Except as provided by [AS 38.05.131](#) - 38.05.134, the commissioner may issue oil and gas leases or leases for gas only on state land to the highest responsible qualified bidder as follows:

(1) the commissioner shall issue an oil and gas lease or a gas only lease, as appropriate, to the successful bidder determined by competitive bidding under regulations adopted by the commissioner; bidding may be by sealed bid or according to any other bidding procedure the commissioner determines is in the best interests of the state;

(2) whenever, under any of the leasing methods listed in this subsection, a royalty share is reserved to the state, it shall be delivered in pipeline quality and free of all lease or unit expenses, including but not limited to separation, cleaning, dehydration, gathering, salt water disposal, and preparation for transportation off the lease or unit area;

(3) following a pre-sale analysis, the commissioner may choose at least one of the following leasing methods:

(A) a cash bonus bid with a fixed royalty share reserved to the state of not less than 12.5 percent in amount or value of the production removed or sold from the lease;

(B) a cash bonus bid with a fixed royalty share reserved to the state of not less than 12.5 percent in amount or value of the production removed or sold from the lease and a fixed share of the net profit derived from the lease of not less than 30 percent reserved to the state;

(C) a fixed cash bonus with a royalty share reserved to the state as the bid variable but no less than 12.5 percent in amount or value of the production removed or sold from the lease;

(D) a fixed cash bonus with the share of the net profit derived from the lease reserved to the state as the bid variable;

(E) a fixed cash bonus with a fixed royalty share reserved to the state of not less than 12.5 percent in amount or value of the production removed or sold from the lease with the share of the net profit derived from the lease reserved to the state as the bid variable;

(F) a cash bonus bid with a fixed royalty share reserved to the state based on a sliding scale according to the volume of production or other factor but in no event less than 12.5 percent in amount or value of the production removed or sold from the lease;

(G) a fixed cash bonus with a royalty share reserved to the state based on a sliding scale according to the volume of production or other factor as the bid variable but not less than 12.5 percent in amount or value of the production removed or sold from the lease;

(4) notwithstanding a requirement in the leasing method chosen of a minimum fixed royalty share, on and after March 3, 1997, the lessee under a lease issued in the Cook Inlet sedimentary basin who is the first to file with the commissioner a nonconfidential sworn statement claiming to be the first to have drilled a well discovering oil or gas in a previously undiscovered oil or gas pool and

who is certified by the commissioner within one year of completion of that discovery well to have drilled a well in that pool that is capable of producing in paying quantities shall pay a royalty of five percent on all production of oil or gas from that pool attributable to that lease for a period of 10 years following the date of discovery of that pool, and thereafter the royalty payable on all production of oil or gas from the pool attributable to that lease shall be determined and payable as specified in the lease; for purposes of this paragraph, the reduced royalty authorized by this paragraph is subject to the following:

(A) only one reduction of royalty authorized by this paragraph may be allowed on each lease that qualifies for reduction of royalty under this paragraph;

(f)(5) notwithstanding and in lieu of a requirement in the leasing method chosen of a minimum fixed royalty share, or the royalty provision of a lease, for leases unitized as described in (p) of this section, leases subject to an agreement described in (s) or (t) of this section, or interests unitized under [AS 31.05](#), the lessee of all or part of an oil or gas field identified in this section that has been granted approval of a written plan submitted to the Alaska Oil and Gas Conservation Commission under [AS 31.05.030\(i\)](#) shall, subject to (dd) of this section, pay a royalty of five percent on the first 25,000,000 barrels of oil and the first 35,000,000,000 cubic feet of gas produced for sale from that field that occurs in the 10 years following the date on which the production for sale commences; the fields eligible for royalty reduction under this paragraph, all of which are located within the Cook Inlet sedimentary basin, were discovered before January 1, 1988, and have been undeveloped or shut in from at least January 1, 1988, through December 31, 1997, are

- (A) Falls Creek;
- (B) Nicolai Creek;
